PATENT
Attorney Docket No. 915-005.123

In accordance with 37 CFR §1.97(g), the filing of this IDS shall not be construed to mean that a search has been made or that no other material information as defined under 37 CFR §1.56(a) exists.

Enclosed is an International Search Report dated November 13, 2002 issued in International Patent Application No. PCT/IB02/ 00978 (filed on March 28, 2002), from which the present application now requests entry into the US national phase. Also enclosed is a Form PTO-1449 listing the cited references. Copies of the cited non-US references are also enclosed herewith (pursuant to the USPTO waiver of the requirement to submit copies of US references). The relevance of each reference is specifically explained in either the Search Report or in the application specification, and the abstract of each reference provides a concise explanation thereof.

This IDS is being submitted simultaneously with the application for entry into the US national phase in this matter; therefore, the undersigned respectfully submits that no fee is due for filing this IDS. The Commissioner is hereby authorized to charge to deposit account 23-0442 any fee deficiency required to submit this IDS.

Respectfully submitted,
